

# MAURIA UDYOG LIMITED

NEAR GOUCHI OCTROI POST, SECTOR 25, SOHNA ROAD  
FARIDABAD, HARYANA, INDIA-121004

## COMPANY PROFILE

### INTRODUCTION

MAURIA UDYOG LIMITED is the flagship company of a multi-product group of companies and is the India's largest manufacturer and exporter of LPG Cylinders, LPG Valves & LPG Regulators having an annual production of 2.0 million units.

MAURIA UDYOG LIMITED (**MUL**) is an **ISO 9001:2000** company certified by BSI, accredited by UKAS & RVA. Mauria Udyog Limited is also HSE Company and it is certified for OHSAS:18001- 1999 & ISO 14001: 1996 by BVQI, India. It is a Govt. of India recognized **Star Export House**, exporting its products to various parts of the world such as **Nepal, Angola, Tanzania, UAE, Bangladesh, Kenya, Sri Lanka, Maldives, Madagascar, Iraq, South Africa, Afghanistan, Oman, Bahrain, Ghana, Malta, Mauritania, Tunisia, Senegal, Mauritius, Libya, Tanzania, Mali**, etc., besides being the market leader in India. The manufacturing facilities of MUL are spread over an area covering 150,000 Sq. Ft. The Works are situated at Faridabad, a few miles from the Capital of India, New Delhi.

The Company has invested an amount of almost US\$ 10.00 million in its modern manufacturing plant, employing a team of about 900 qualified, experienced, dedicated skilled and unskilled workers. The products are being regularly inspected and certified by reputed international inspection agencies, such as Bureau Veritas Industrial Services Pvt. Ltd. (BVIS), SGS and Bureau of Indian Standards.

### SELF CLOSING (COMPACT), MANUAL & CAMPING TYPE VALVES

**MUL** has the capability and facilities to manufacture any type and size of Valve fittings for use with Liquefied Petroleum Gas Cylinders of more than 5 Litres Water capacities. Valves are manufactured as per different standards with reference to different design and testing standards (national and international) such as IS 8737, EN 13152, EN 13153, EN 13953, EN 849, DIN 477, SLS 1184.

### LPG REGULATOR & ADAPTORS

**MUL** manufactures all types and sizes of Pressure Regulators for use with Liquefied Petroleum Gas. Regulators are manufactured as per different Standards with reference to different designs and testing standards (national & international) such as IS 9798, BS 3016 and EN 12864.

### LPG CYLINDER ACCESSORIES

**MUL** also manufactures various other Gas appliances such as LPG Burners, Cooker Rings, Heat Shields, Cylinder Guards, etc.

### INTERNATIONAL RECOGNITION

**MUL** has been assessed by Technical Directors of TOTAL GAZ, France and Rubisgaz France, Global Technical Authority, Cylinders, BOC-Linde who had visited its Works for assessing the infrastructure for manufacturing and testing facilities of cylinders & valves. Our processes and quality control have been found acceptable and recommended us to manufacture and supply cylinders and valves, required by their affiliates all over the world.

### LOGISTICS

**MUL** has a full-fledged logistics department and has made successful delivered shipments to Iraq, Kenya, Angola, Sri Lanka, Bangladesh, South Africa, Mauritius, Madagascar, UAE, etc. MUL holds the record for being the first company to deliver any commercial cargo to post-war Baghdad (Iraq) in 2003, among its 1.8 million cylinders shipped between 2000-2003 (including interruptions by the Iraq War), handling more than 1300 x 40' FCLs. During the Iraq deliveries, **MUL** had chartered vessels on time and voyage charter basis to exclusively carry its containers.

### OTHER GROUP COMPANIES & PRODUCT LINES

#### TERRY TOWELS

**MUL** manufactures export-quality, luxury soft terry towels in a modern unit.

## INTERNATIONAL TRADING & MERCHANDISING

Mauria also does international and domestic trading in agro-commodities such as soyabean meal & oil and Metals such as steel, brass, zinc, copper, ferrous scrap.

The **Merchandising Division** within this activity also imports and distributes the famous US brands **GAP, Banana Republic** and **Old Navy**. Mauria also has its own brand **TANZ** and Mauria also retails these products through its dedicated 15 stores, 7 in NCR and others in various parts of the country including Mumbai. The expansion plans in this line, is to establish 30 more stores in metros of the country.

Among the **group companies** of MUL are:

### JOTINDRA STEEL & TUBES LTD (JST)

An ISO 9001 company, and one of the pioneers in Steel Tubes & Pipes manufacturing in India, JST, is a major producer and exporter of ERW MS Black Steel Tubes and GI (Galvanised Iron) Pipes in India.

### VEEKAY SURGICALS PVT LTD

Manufacturer of disposable syringes, needles and IV cannulae and insulin syringes under the brand **Safe Plus**.

### VL ESTATES PVT LTD

Manufacturer of aluminium composite panel for building exteriors, under the brand **Alstone**.

## OTHER BRIEF DETAILS

Name & Address of supplying company	:	MAURIA UDYOG LIMITED 602, CHIRANJIV TOWER 43, NEHRU PLACE NEW DELHI, INDIA-110019
Name & Address of manufacturing Unit	:	MAURIA UDYOG LIMITED SECTOR-25, SOHNA ROAD FARIDABAD, HARYANA-121004
Manufacturing Unit production capacity	:	2.0 Million LPG Cylinders per Annum 2.0 Million LPG Valves per Annum 2.0 Million LPG Regulators per Annum
Capital Employed	:	US\$ 10.0 Million
Number of Employees	:	980
Size of Sales in India	:	US\$ 6 Million
Size of Sales for Export	:	US\$ 30 Million
Quality Management Certificate	:	ISO 9001:2000 certified by BSI
HSE Certificates	:	OHSAS: 18001} ISO 14001} Certified by BSI
CE certification	:	<b>CE</b> Certification for Cylinder & Valve EC Type Examination Certification by Bureau Veritas as per TPED directives 1999
Plant accreditation	:	The manufacturing and Quality Process is accredited by BUREAU VERITAS, INDIA
<b>DOT</b> Certification	:	By Department of Transport, USA for manufacture of cylinders as per DOT 4BA 240 M No. <b>M-0712</b>
